

Take Interstate 88 west and exit onto Illinois 26 at Dixon. (The exit is at approximately mile marker 55)

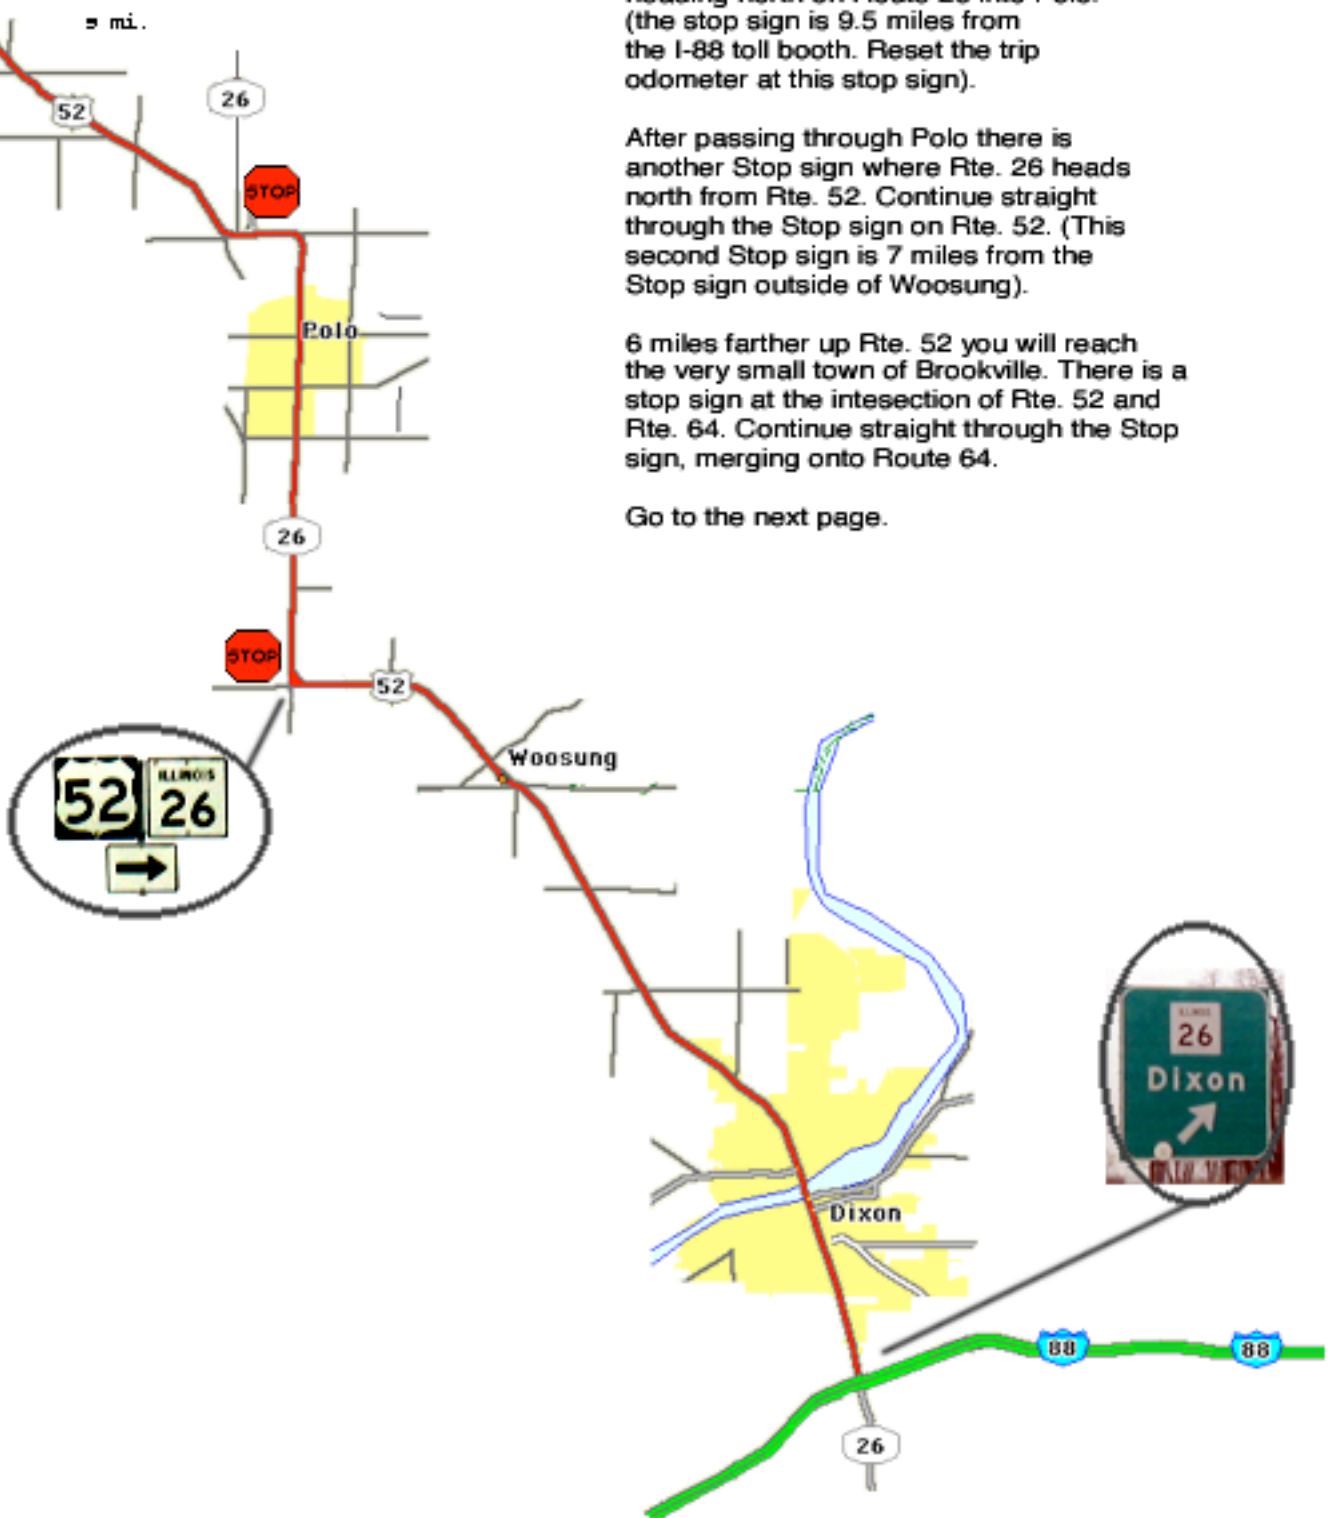

After paying the exit toll, turn right (heading north) onto Route 26.

After traveling through Dixon and Woosung, turn right at the Stop sign heading north on Route 26 into Polo. (the stop sign is 9.5 miles from the I-88 toll booth. Reset the trip odometer at this stop sign).

After passing through Polo there is another Stop sign where Rte. 26 heads north from Rte. 52. Continue straight through the Stop sign on Rte. 52. (This second Stop sign is 7 miles from the Stop sign outside of Woosung).

6 miles farther up Rte. 52 you will reach the very small town of Brookville. There is a stop sign at the intersection of Rte. 52 and Rte. 64. Continue straight through the Stop sign, merging onto Route 64.

Go to the next page.

At this point you're driving on Route 64/52 heading towards Lanark. 10.5 miles from the Brookville stop sign, you reach Route 73 at the south end of Lanark. Turn right, heading north, and travel through Lanark for 4 miles where you'll see a stop sign at the intersection of Rte. 73 and 72.

Continue straight on 73 for one mile. You will see a large blue tourist sign just before you need to make a left turn on to Payne Road. Continue on the curving Payne Road and pass the Lake Carroll Gaurd House.

You are now on Lake Carroll Blvd. After passing the golf course clubhouse/restaurant, take the next left onto Broadview Drive.

If you travel more than half a mile past the Clubhouse, then you missed the turn onto Broadview!
